

# THE DESCHNER CUSHIONEER® SHOCK ABSORBER

## “QUALITY DETAILS”

**Every unit tested to capacity...Ultra high quality materials  
Precision tolerances...Patented rolling diaphragm seal  
to ensure leak-proof performance...**

**Just a few of the qualities that go into the manufacture  
of the Deschner Cushioneer leak-proof shock absorber.**

In the age of “throw away” products Deschner leak-proof Cushioneer shock absorbers are engineered to operate for millions of cycles and offer this promise:

***“YOUR CUSHIONEER CAN BE SERVICED FOR AS LONG AS YOU OWN IT”***

Find out how Deschner Cushioneer “quality details” help keep your applications running longer and save you money. Visit [DESCHNER.COM](http://DESCHNER.COM) for instant PDF specs. Most models are available for immediate delivery.
