

CALL US BEFORE YOU ORDER YOUR NEXT CHECK UNIT

WHY? Because, for over 45 years, Deschner patented leak-proof Kinechek speed regulators have proven themselves to be easy to install, do not leak even a drop of fluid, precisely adjust and require no maintenance. Thousands of Kinecheks continue to perform flawlessly over decades of use in the field! In an age of "disposable" products Deschner leak-proof Kinechek speed regulators are engineered to operate for millions of cycles and offer this promise:

**"YOUR KINECHEK®
CAN BE SERVICED
FOR AS LONG
AS YOU OWN IT"**
