

# THE LEAK-PROOF SPEED REGULATOR THAT **NEVER RESTS**

For over 45 years, Deschner Kinecheks® have provided outstanding leak-proof performance. In fact, thousands of Kinecheks continue to **operate flawlessly after decades in service**—the only speed regulator that truly **never** rests. The patented hermetically sealed design and long lasting materials used in their construction enable Deschner to make this promise:

**“YOUR KINECHEK CAN BE SERVICED  
FOR AS LONG AS YOU OWN IT”**

Find out how the extraordinary Kinechek speed regulator is engineered to help keep your applications running longer and **save you money**.
